April 25, 2007

Dear Mr. Biswas,

Please refer to your letter dated 4 March 2007 regarding your decision to decorate with Mother Teresa Lifetime Achievement Award 2007 to Honourable Mr. Girija Prasad Koirala, Prime Minister of Nepal on 29 April 2007.

It is my great pleasure to inform you that Honourable Prime Minister of Nepal has accepted the Mother Teresa Lifetime Achievement Award 2007 and expressed his heartfelt thanks to the Committee and its members for their decision.

Nepal and India are very close friends from the immemorial and the Award itself is one of the valuable instruments to tie the silk knots of our friendly relations.

Despite his willingness to come to this beautiful city, Honourable Prime Minister is not in position to make his presence on the day of Award distribution ceremony because of his ill health who has been strictly advised by the doctors not to leave Kathmandu.

As per his instruction, I, the Consul General of Nepal, will be with you on the above date to receive the Award **on behalf of Honourable Prime Minister Mr. Girija Prasad Koirala.**

I offer my thanks for your kind cooperation.

Sincerely Yours
Dr. Govind Prasad Kusum
Consul General
